Dear Mr. Seago:

On behalf of all the principals and staff of Signature Management Certification Services, I would like to extend my sincere congratulations for the accomplishment your certification represents.

I have enclosed the camera ready artwork which may be used to indicate your certification. I have enclosed a floppy disk with the Signature certified logo as well as the Raad voor Accreditatie logo that may be used in conjunction with the Signature logo; if you wish to use both, please call me for specifics. Please refer to the use of the certification and artwork as reflected in the Registration Program information. If you have any other questions about the use of the artwork please call me.

Your next surveillance audit is scheduled to occur in August 2007. This may be adjusted up to thirty days before or after. Where revisions to your manual may be made, please submit them to Signature for review and acceptance—electronically, by fax in draft or “red-line”—whatever may be the easiest for you, but no later than thirty days prior to the audit.

Again, my congratulations! Please always feel free to call for any reason—we want to be a resource to your company.

Sincerely yours,

Richard P. Conover
President
